

Just being with a group of BPYC members, you will forget all about your "winter blues"! Looking forward to seeing you all at the Ball.

Treasurer Jack Leary

I hope everyone had a good and healthy Holiday season. By the time you read this article, we will have past the halfway point of our "Off Season" winter lay up. You may not have noticed yet but the days are starting to get a little longer. That means it won't be long before we will be working on our boats and getting them ready to put back in the water. If you are like me, you are already making plans to get your boat ready for another season at Bay Point.

Fortunately, we don't have to wait until warmer weather to see our boating friends at the Commodore's Ball. Those of you who have attended in the past know what a good time we all have every February. If you have never attended, you are really missing out on a great time. What better way to make the winter go by than having some fun with your friends, sharing stories and making plans for this coming season. So plan on attending and I hope to see you there!

As we start the New Year, it is also time to pay your 2008 Yacht Club dues. Invoices were mailed out the beginning of January and members will receive new membership cards once payment has been received. Member dues are the major source of income for running your club. Thanks to all of you that pay promptly.

On a personal note, I would like to thank outgoing Commodore and Lady Quinn

for all their hard work this past year insuring that our club ran smooth.

Secretary Jane Erickson

I have enjoyed my tenure as secretary and am looking forward to my next year on the bridge. I think everyone can agree that the past year was a great deal of fun- made possible by the involvement of so many club members. Many thanks to Commodore Quinn and Lady Noni for all their hard work. See you at the Commodore's Ball.

The Nominating Committee

The nominating committee, consisting of P/C Errol English, P/C Chuck Peterman, and P/C Tom Frascella, proposes the slate of candidate officers listed below for the 2008 Bridge and Executive Committee.
